

INSPIRATION

We Will Lead!

ZONE

January 28, 2016

To Whom it May Concern:

Please allow this letter to serve as a support for the on-going work of the Partridge Creek Farm. We are pleased to take such action as our Inspiration Zone is a cooperating neighbor with the PCF. Ours is a citizen's organization that works with our City of Ishpeming, County Land Bank and Brownfield Authority in the revitalization of a ten (10) block area in Ishpeming. We have supported the PCF both physically and financially in the creation of their downtown Community Garden which is only a block south of our Inspiration Zone.

We admire the conviction, foresight and energy that the Partridge Creek Farm members put into their projects and will continue to provide support for their efforts whenever and however we can, well into the future.

Building a New Ishpeming, I remain

Very Truly Yours,
