To Whom It May Concern:

On behalf of the Kiwanis Club of Ishpeming, please accept this letter of support for the Partridge Creek Farm. As a local civic organization with an international presence and an international motto of "Serving the Children of the World", we see the value of the farm for our children and our community.

In addition to these words of support, our club has supported the farm project financially. We appreciate the dedication and energy the members of the Partridge Creek Farm have shown to not only their project, but the community of Ishpeming. We will continue to provide support for this great project well into the future.

Thank you for your consideration of this recommendation.

Sincerely,
